“To everything there is a season
And a time for everything under
the sun.
A time to weep and a time to
laugh,
A time to love and a time to
hate,
A time for giving and a time for
thanks,
A time for hello and a time for
good-by . . .”

"Growing, learning, changing.
The emergence of a different
individual.
The dawning of a new year!
A new age!"

winter

“Changing people captured in the
games of life—
A whirling, swirling collage of
sports, studies, activities.
And the snow flakes drift
Silently down, unnoticed.”

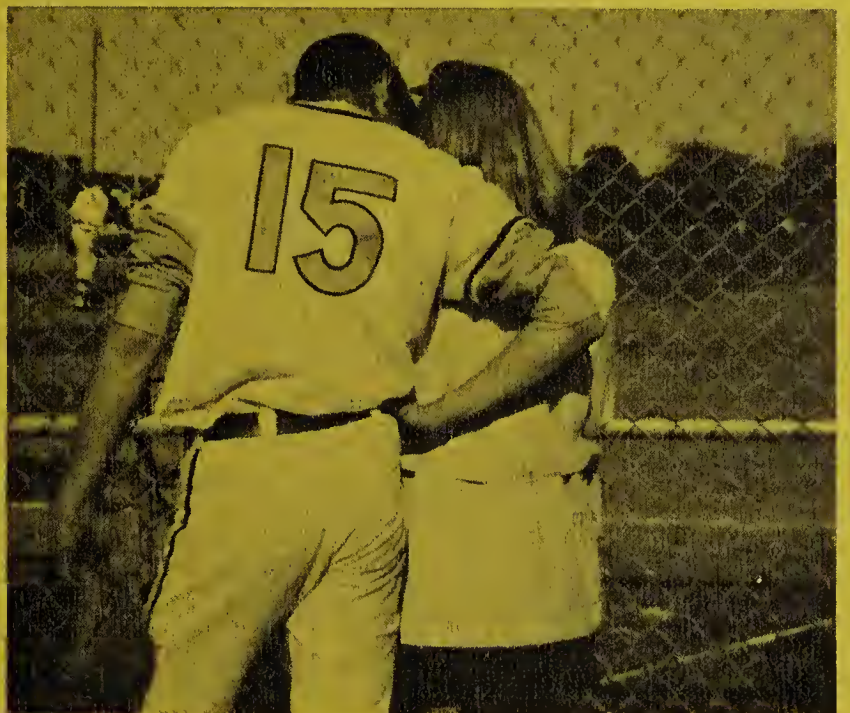

“Only a moment; a moment of
romance, of triumph – of youth!
... A flick of sunshine upon a
fresh patch of clover, the time to
remember, the time for a sigh, and
– good-bye ...!”

Joseph Conrad

spring

"The future is something which everyone reaches at the rate of sixty minutes an hour, whatever he does, whoever he is."

C. S. Lewis

Each year the senior class votes on the dedication of the annual. The fact that MISS DOROTHY THOMPSON was selected after only two years at Parksley speaks for itself.

When we're really feeling small
 When things have got us down,
 She is always near.
 She's by our side when times get
 rough.
 And friends just can't be found.
 She takes our part when trouble
 comes,
 And pain is all around.
 Soon we sail on, sail on alone,
 But we remember what she has given.
 When we needed a friend,
 And our dreams had turned to sand,
 Like a Bridge Over Troubled Waters,
 She would ease our mind.

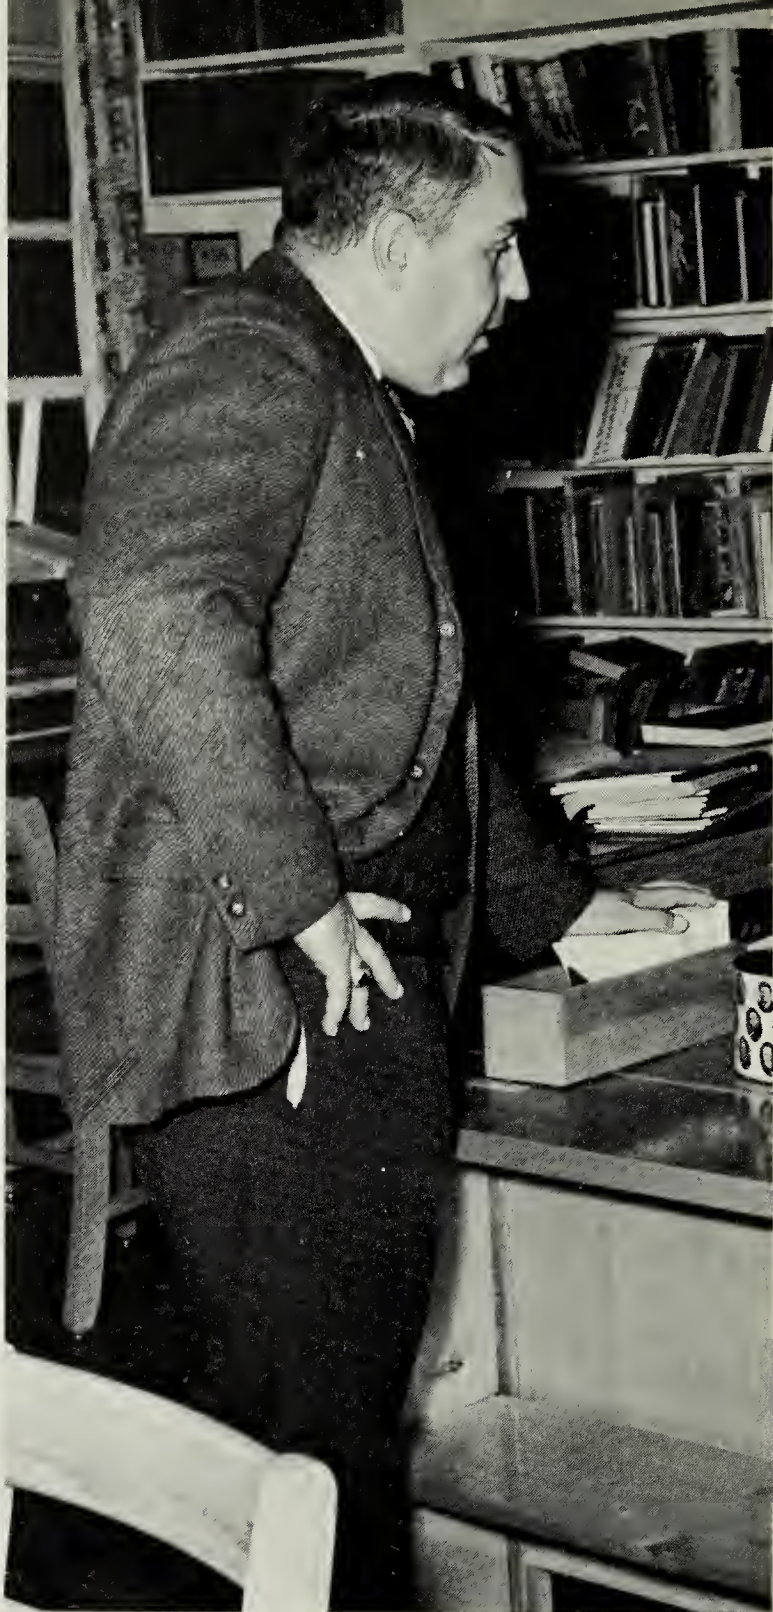

Mr. L. H. Woodward Principal

Before most of you realize it Parksley School will be a memory rather than one of the main phases of your daily life. It has been our purpose to prepare you to meet the experiences with courage and resourcefulness.

Individually you will walk many different paths in life, your education here is merely a beginning. Never forget that you can make of your life only that which you are willing to work for. It is our sincere wish that you take advantage of every educational and spiritual opportunity along life's pathway, so that your life and its contribution will be both satisfactory and rewarding.

Students and Faculty:

In this 1970 Edition of the Eagle we have tried to capture in pictures and in words some of the many events and daily occurrences that have taken place this year at P.H.S.

We hope that after your graduation you can look back and re-live this happy, sad, funny, unique year.

We wish to thank you all for your co-operation and help, and especially to thank Miss Thompson for her help and endless patience in helping us on the completion of this yearbook, THE EAGLE 1970.

Co-Editors: Bonnie Parks
